Miss Esther Mason is teaching the second grade in the absence of Miss Maxine Clough, who has a leave of absence for the remainder of the term.

This meeting was a busy one. Many plans were made and discussed for the near future.

RUMFORD TEAMS

PLAY TONIGHT

Tonight is the big night for the basketball fans as the Rumford Panthers tangle with the Blue and Gold. The visitors will be here with a big, fast aggregation including three veterans of last year's Bates tourney team. Lovers of good basketball never fail to appear at the gymnasium when Rumford visits that stronghold.

But! after seeing the Academy in action against the Alumni last Friday. It looks as though all the good basketball will not be played by one team tonight. Can the local outfit hit its stride, it could be the best entertainment of the schedule this year.

Printed Stationery, the ideal gift, \$2.50 up. Citizen Office.

THE RED CROSS SPEAKS

The Red Cross Chapter here in Bethel, has occasion for rejoicing this year because of the generous response to its appeals. We have secured 101 memberships, which is almost a 50 per cent increase over last year, which is most gratifying.

The appeal for clothing and food also met with a hearty response. These things sent in have been sorted and classified as well as possible and the committee wishes to give notice that on Saturday afternoons between the hours of two and four they will be at the Red Cross Rooms and will, to the best of their ability, allot these things to the worthy.

It is more than likely that the Scouts missed some of the bags when they were making the collection; and we know that many of the bags are still out, for out of nearly 200 distributed only about 100 were returned.

If you have one of these bags will you be kind enough to notify L. A. Edwards or Mrs. Datzell and they will be called for. We can't afford to lose them for they cost good Red Cross money.

Thanking you all most heartily for your cooperation with us in our efforts to serve our worthy poor. We are sincerely,

Your Red Cross Committee.

LEGION COUNCIL

HERE WED. EVE

Fifty in Attendance from County Posts and Auxiliaries

The monthly meeting of the Oxford County Council, American Legion, was held with George A. Mundt Post Wednesday evening, in the Grange Hall. An oyster stew supper was served to 50 members of the Posts and Auxiliaries from Duckfield, Norway, Rumford, Dixfield, and Bethel. Following the meeting dancing was enjoyed with music by Lord's Orchestra of five pieces.

Council Commander Roger Eastman, a member of the Duckfield Post, was the presiding officer. Past Council Commander Herbert R. Bean of Bethel gave a short talk on the principles of the Legion and Col. Albert Bellevue of Rumford spoke briefly.

The next meeting will be held at Norway.

MINSTREL SHOW

Speaking of specialties. You'll see none better than those at the Ladies' Minstrel Show Friday of this week.

Mrs. Lee Wentzel sings a song that no audience has heard, the words and music having been composed by a popular Bethel musician.

Mrs. Laurence Lord sings "Big Bad Wolf" with supporting chorus.

Mrs. William Chapman 2d sings "In the Valley of the Moon."

Miss Catherine Lyon for her special gives "Sweet Heart of Sweet Sixteen."

Mrs. O. H. Anderson does a beautiful solo dance and Mrs. Earle Davis, Mrs. James MacFarlane and Miss Lucia Van have a golden slipper trio.

Miss Virginia Davis dances.

The Southern scenes are especially lovely. Quality colored folks strut and sing. There is an old fashioned cake walk.

Here is the cast—a good one: Doris Lord, Betty Anderson, Julia Brown, Lucia Van, Zona White, Eleanor Lyon, Doris Bryant, Wilma Hall, Agnes Twaddle, Millie Wentzel, Ruth Chapman, Beatrice Brown, Catherine Lyon, Grace MacFarlane, Dorothy Tucker, June Brown, Elsie Davis.

BETHEL'S TRACTOR AND PLOW HERE

New Snow Removal Equipment Arrived This Morning—To Be Set Up at Once.

The town's new Caterpillar 50 tractor with LaPlant-Choate plow arrived at the station this morning and men are expected this afternoon to unload and set up the new machinery. This equipment is the latest in the snow removal line, being far ahead of the old tractor and plow which have served this town, and several others much of the time, for the past six winters.

The old plow and tractor will now be turned over to the tractor concern toward the cost of the new outfit.

AT THE ACADEMY

The marble setters are at work on the sidewalls of the lobby. The roofers have completed their work except on the lower, and the sheet metal work is under way on the tower. The stagings are being taken down and sash is being placed in the window frames.

GOULD DEFEATS

ALUMNI 31-23

Former Stars Put Up Great Battle. W. Bartlett and J. Parsons Star for Old Timers

The Alumni of Gould Academy went down to defeat to the tune of 31-23 only after four periods of hard play. The former Gould players gave the Gould outfit plenty to worry about and played a game surprisingly strong considering the amount of practice they had had.

Jack Parsons and "Willie" Bartlett proved the offensive stars while George Parsons was his own dependable self in the back court.

"Lanky" Austin proved a tough nut to guard and due to his height it was hard to stop him from receiving long passes in the center of the floor and then feeding to his team mates breaking for the basket.

The undergraduates played a strong floor game, passing well and breaking for the basket nicely. Wilford Wight proved dependable on the defense and did yeomanlike work in taking the ball off the backboard.

Martinson, playing a forward position, also played a great game and both these men proved themselves worthy team mates to Browne, Allen and Stanley, who have all had considerable more experience.

MRS. NELLIE CROSS

The many friends of Mrs. Nellie Cross, widow of the late Charles Cross, were grieved to hear of her death at Locke Mills, Friday, Dec. 9. Although she had been in failing health for the past few years she was able to attend to her many duties up to the last minute, the end coming suddenly.

Mrs. Cross was born at Sebago, Maine, Sept. 22, 1861, the daughter of the late Lydia West and Horace Garey, she being the youngest member of a family of four. In 1877 she married Charles Kimball Cross and to this union three children were born: William, who passed away in July, 1933; Mae, who resides in Arlington, Mass., and Annie who passed away in October, 1932.

In the passing of Mrs. Cross, the community loses one of its best citizens and neighbors, she being always ready to lend a helping hand to anyone in need. She will forever remain in the hearts of all who knew her as a woman of strong integrity, as having a jovial disposition and a keen insight in life.

Besides the daughter mentioned, she is survived by a sister, Mrs. Annie Wiggins of Sanford, four grandchildren, two great grandchildren, nieces, nephews and a host of friends for whom much sympathy is felt, this being the third death in the family within a short time.

Funeral services were held Sunday at 2 p. m., at the Union Church at Locke Mills, conducted by Rev. L. A. Edwards of Bethel, who spoke comforting words to the bereaved ones. Burial was in the family lot on Howe Hill. The floral tributes were many and beautiful, being silent reminders of the love and esteem in which she was held.

"In the home, so sad and lonely There remains a vacant seat, And we listen for a foot fall That we would with pleasure greet."

"When on earth our life is ended We shall meet at God's right hand Where the sweetest joys are blended In that happy angel land." (G. M. H.)

MRS. WILLIAM NICHOLS

The death of Mrs. Georgia A. Nichols occurred Friday morning at 2 o'clock after an illness of two years. She was born at Wilton, Nov. 26, 1851, the daughter of Mr. and Mrs. Redding Hemingway. She was united in marriage with Ira Bean of Bethel, who died Oct. 28, 1926. Two children were born of this marriage, Frank, now deceased, and Vear, with whom she made her home. She was twice married, her second husband being William Nichols of Auburn. She was a Universalist by faith.

Besides her husband and son, she leaves five stepchildren, three grandchildren and nine great-grandchildren.

Funeral services were held from the home of her son Sunday at 1 p. m. Rev. L. A. Edwards officiated. Burial was in the South Bethel cemetery.

HERE AND THERE IN MAINE

Damage was also done to the Music Hall and the Lewiston Trust Co. building. The Laflamme photographic studio on the second story of the block was also destroyed with an estimated loss of \$4,000.

A report from Greenville states that there is 13-inch ice on Moosehead Lake and five to six foot snowdrifts in northern localities.

Two children were killed and four seriously injured as a skidding truck crashed into an electric trolley waiting room at Peleapscot Tuesday. The truck was the property of the Donahue Express Co. of Portland and driven by Edward Carlton of Medford, Mass., who was held on a charge of manslaughter.

Edward G. Hodsdon and Charles Sprague, both of Winthrop, were forced to jump for their lives Monday when the truck in which they were riding on the Augusta road burst into flames. The men were uninjured but the truck was destroyed.

GOULD EKES OUT 23-22 WIN OVER GORHAM

Dwyer Pulls Game Out of Fire Tuesday Evening—Exciting Game But Poorly Played.

Dwyer's sensational shooting in the third period and Berry's free throw in the final minute of play is all that saved the "Blue and Gold" from tasting defeat in its first school boys game of the season. Fans could wish for nothing better in excitement as Gould started its uphill climb in the third period after trailing 14-6 at the half time. It was in this period when Gould showed its only spark of good basketball and coupled with Dwyer's fine shooting went into a 21-18 lead.

In the beginning of the final period Allen was fouled out of the game as was also Dwyer. From then on the tenseness of the situation kept all spectators on the edge of their

seats. With these men out Gorham staged its second rally of the evening and tied the score 22-22. With less than two minutes to go Berry was fouled and amid an uproar sank the winning point. Gorham had an opportunity to tie the count but the free throw went amiss and also Gorham's chances of winning. Gorham lost its best chance of taking Gould Academy for the first time in basketball history by its inability to sink free throws. They had 17 chances and only made two of them good while the winners made five out of 11.

WITH THE POETS

CHRISTMAS
Edna M. Shaw

Hush! all this worldly tumult.
Search deep within your soul.
Let Christ be born in you to-day.
As He was born of old.

Dream o'er the wonderful story.
The shepherds' watchful care.
The stars so bright, the heavenly night.
And the angels singing there.

The wise men ever faithful
As wise men ever are.
Hearing God's voice of peace and love,
They followed the guiding star.

They gave to Him their treasures
In that humble dwelling place.
They heard not Herod's sinful call
But kept the Christ child safe.

The glory of that night divine
Shines now for you and me.
The angels' song, "Fear not my child,"
Rings on eternally.

I am your God forever near
If you listen for my voice.
Your earthly woes will soon depart.
As you with Christ rejoice.

SOUTH WOODSTOCK

Sunday, Dec. 10—A cold winters day. A light covering of snow about one inch in depth covers the bare ground.

The Willing Workers will meet with Mrs. Jessie Jackson Andrews Wednesday afternoon at two p. m. for their regular fortnightly gathering.

Little Hollis Buck, two years of age, son of Mr. and Mrs. "Win" Buck is very sick with pneumonia. The child is very susceptible to colds and when only one year of age was a sufferer from pneumonia.

Frank Andrews, who is poorly, is taking a rest cure, in bed and, on the whole, is feeling rather better.

Mrs. Eliza Davis, who has not been as well as usual, is now on the gain. On making inquiry for her general health she informs us that she is still enjoying many of the blessings of life.

While all are interested in making good and better roads for the general public, one of the greatest needs of South Woodstock is an addition to our school house to provide for another school room. Best of results cannot be obtained in carrying on continuous recitations in one school room containing forty scholars in the eight different grades.

The wood camps are in full swing. Molly Ockett is again the home of the warrior brave, a husky gang of woodchoppers, all intent on laying low the monarchs of the forests.

Elmo Heikkinen and Donald Cox, who have been very sick with pneumonia, are both on the road to complete recovery and in a short time will be out again.

Mr. and Mrs. Joseph Barrett observed the sixth anniversary of their wedding on Wednesday, Dec. 6. A small party of friends and relatives were invited in to spend the evening, which passed all too soon to suit the young folks. Mrs. Barrett served cake, pie and coffee for refreshment, which all greatly enjoyed.

Mrs. Edith Brown of Bryant Pond spent Monday and Tuesday, Dec. 4 and 5 at Davis homestead, the guest of her daughter, Mrs. Gerald Davis and family. Mrs. Davis spent the week end at Bryant Pond.

Albert Felt was in the place recently and called at Davis homestead. In talking over things in general, Mr. Felt, who comes from the old stock line of farmers, gave it as his opinion that the Eastern farmer at the present time was

pretty near to the length of his rope. The selling price of hogs is at the lowest yet. To sell your own hog you pay one dollar on a hundred for every hundred of pork you sell. Grain to raise that hog is worth double to what the hog sells for. How is the Eastern farmer to live on such an existing condition?

BRYANT POND

The Farm Bureau held a very interesting meeting Dec. 7 on "Hot Dishes for Cold Days." There were 24 members present. The next meeting will be the planning meeting Jan. 20.

The Star Birthday Club met with Mrs. Annie Bryant last Friday afternoon. There were 16 members present. The following officers were installed by Past President Sylvia Judkins:

President—Annie Bryant.
Vice-President—Neil Cummings.
Secretary—Edith Abbott.
Treasurer—Gertrude Redman

Delicious refreshments were served by the hostesses, Annie Bryant, Martha Dudley and Eva Titus. The next meeting will be with Elsie Bryant.

The Boy Scouts held a whist party at the High School building last Friday night. There were nine tables. A penny lunch was on sale. About \$5.00 was cleared.
